Our team & turnkey service

Festive decor according to your corporate colors

Décors Véronneau is a Canada-based company offering a wide selection of artificial flowers and plants, custom floral arrangements and trendy Christmas decorations, from small to large-scale. Whether it’s for an office, the common area of a seniors’ residence or a restaurant terrace, our experienced design team is there to decorate all types of commercial spaces, year-round.

In addition to our expertise in artificial plants, we also specialize in the design of custom Christmas decorations to add a touch of personalized magic to your space. From giant trees to decorated garlands, nothing is impossible! Our Christmas arrangements are designed by our team of sales representatives and crafted by our experienced florists in our workshop.
